ATTACHMENT A

PROGRESS REPORTS

Bi-monthly Engineering Progress Reports

The Contractor will prepare and forward to the Contracting Officer each two months, a complete and comprehensive Engineering Progress Report. The report shall outline all experiments, and the results thereof. Schematic diagrams, sketches, and photographs may be included as required for clarity of description.

Supplementary Reports

Monthly Letter Reports and Quarterly Reports may be submitted at the Contractor's option with concurrence of the Government project engineer. A Bi-monthly Progress Report shall not become due with the submittal of a Quarterly Report.

Final Report

A Final Report will be submitted at the conclusion of the task order which shall review the work undertaken and the conclusions reached during the execution of the task.

CONFIDENTIAL
